

Dear Mayor Rutledge B. Leland III,

On behalf of St. James Health and Wellness, we invite you or your organization to become a valued sponsor of our Food Pharmacy Program—a vital initiative that provides whole foods to patients in need, supporting their journey toward better health and wellness.

Did you know that in South Carolina 14.4% of households (ranking among the highest in the US) are unable to provide adequate food? In the coastal areas alone, approximately 161,000 people are faced with food insecurities.

Since 2023, generous community support has empowered our Food Pharmacy to provide fresh, nutritious foods that help patients better manage chronic conditions and transform their health. Thanks to partners like you, we have served 3,035 household members and distributed over 11,809 pounds of life-changing nourishment.

Each year, we host our signature event, the Taste of Compassion Brunch and Silent Auction, which brings together community members, healthcare advocates, and local leaders to celebrate compassion and raise funds for the Food Pharmacy Program. This year, we are seeking sponsors who share our commitment to health and wellness that reaches every community we serve. We would be honored to partner with you on this mission. Our sponsorship opportunity request is enclosed.

Please feel free to contact me at 843-833-2322 or obritton@stjamesanteeefhc.com with any questions or to confirm your sponsorship. Thank you for considering this opportunity to make a meaningful impact on our community.

With gratitude,

Othelia Britton
