Notes:

- As used herein, the terms CA shall refer to Coastal Asphalt, LLC and the terms GC shall refer to the general contractor or Owner of the site or the primary contractor or the other party with whom this agreement is being made.
- This quotation is good for 30 days from the date submitted and is specifically based upon the conditions set forth here and, on the face, hereto which will become an exhibit to the contract and physically bound within. Any subsequent agreement shall be on a AIA Document A401 Subcontract or AIA Document A101 Owner/Contractor form (1997 Edition) as appropriate. It shall be agreed that all agreements and/or contract documents shall be based upon this proposal and the terms of this proposal shall supersede and prevail over any subsequent agreements and/or contract documents.
- No Pay Item shall be removed from this proposal without prior consent of CA. Removal of any proposed item without our consent will automatically void this proposal.
- This proposal excludes anything not explicitly listed.
- Asphalt haul rates are based on diesel fuel retail price up to \$4.00 per gallon. A fuel multiplier of \$0.10 per ton per every ten cent will be added for diesel fuel priced above \$4.00 per gallon. Diesel fuel rates will be obtained from: https://www.eia.gov/dnav/pet/pet_pri_gnd_dcus_r1z_w.htm The daily rates will be averaged to determine a price per week- CA's work week runs Monday through Sunday.
- Please note, any work performed after July 1, 2027 is subject to a possible increase in pricing due to our material suppliers increasing their pricing to us.

Payment Terms:

Final payment, including all retention withheld, becomes due 30 days following the date of the final invoice for all completed work of CA. Failure to comply with the terms of payment set forth below shall be grounds for CA to stop work. CA does not agree under any circumstances that the right of CA to receive payment from GC is contingent upon GC receiving payment from Owner.

Payment Terms:

- That the seller shall invoice the buyer for the value of the work performed and the materials furnished. A billing cycle shall run from the 26th of each month to the 25th of the month following. All amounts invoiced in a billing cycle shall be due and payable in full on the 30th of the month following the end of a billing cycle.
- That the seller reserves the right to apply all payments received on account first to the payment of unpaid service charges and then to the payment of unpaid principal charges, the oldest such charges to be paid first in any event. That the buyer agrees that any amounts remaining unpaid from and after the 30th day of the month following the end of a billing cycle shall bear interest at the rate of one and one-half percent (1.5%) per month, eighteen percent (18%) per annum and buyer also agrees to pay all costs of collection including, but not limited to reasonable attorney's fees in the event that seller refers the account to an attorney for collection.
- Account will be closed if any balance becomes 60 days past due.
